

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

Reading

Our reading scheme is Read Write Inc. Children will continue with this scheme throughout Year 1. They will work their way through the coloured groups as their reading improves.

Writing

Our English lessons will be based on a new text each week. We explore the text in great detail, learning the vocabulary and how we can apply it in our writing.

We complete three pieces of writing a week, which are in relation to our book. Two pieces are independent and the other is completed with adult support. These are our books for this term:

Educational Visit

This term we will be visiting The Wildwood Trust. This trip is to aid us with our learning on our Science topic 'Animals including humans'. While on this trip we will be learning facts about the animals in the wildlife park as well as their diets and habitats.

Pyrenees Class – Spring 1

Miss Albon

PSHE

The theme of our PSHE lessons this term will be Relationships, with a main focus on bullying.

Maths

The children will be following the Maths Mastery Scheme. Our topics for the term will be:

- Time
- Exploring calculations within 20
- Numbers to 50

Science

Our topic this term is Animals including humans. This will involve:

- Zoology
- Animal Teeth and Diet
- The Human Body and Touch
- Eyesight and Hearing
- Touch and Smell

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

History

Our key theme of the term is looking at 'Space Exploration' with focus on significant individuals - Neil Armstrong and Mae Jemison. Our key questions for this term are:

- How do historians know what happened in the space race?
- Why is Neil Armstrong seen as an important person in space exploration history?
- Why did some people think that the first moon landing was fake?
- What has changed and stayed the same in space exploration since the first journey to space?

Art/Design and Technology

In art this term we will be looking at various Ebru artists. Using printing and marbling to create galaxy paintings.

In design technology we will be designing and creating our own teddy bears.

Spiritual Religious

In RE our topic is Special Books, focusing on the Holy Books in various religions.

Assemblies

Monday – Current Affairs – Votes for School

Tuesday – School Values

Wednesday – Singing

Thursday – Attendance and Safeguarding

Friday – Celebration

Computing/Music

In music our topic this term is the dynamics, timbre, temp and motifs within music and space. In computing children will be learning about creating media, specifically digital painting.

Geography

In Geography this term we will be learning about The United Kingdom. The children will be exploring the following questions.

- Where in the world is the United Kingdom?
- How is the United Kingdom formed?
- What are the waters around the United Kingdom?

Physical Education

In Physical Education we will be developing children's Fine and Gross Motor Skills with a focus on:

- Dynamic balance and Static balance.
- Co-ordination and Counterbalance.

The children will develop their creativity with how they can balance their bodies as well as their co-ordination, while working collaboratively with a partner.
