

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

Reading

Our reading scheme is Read Write Inc. Children will continue with this scheme throughout Year 1. They will work their way through the coloured groups as their reading improves.

Educational Visit

This term we be visiting the beach This is to help aid us with our Science topic of 'Plants'. We will be looking at different types plants such as seaweed as well as enjoying a picnic and having a sandcastle building competition.

Maths

The children will be following the Maths Mastery Scheme. Our topics for the term will be:

- Money
- Multiplication and Division
- Measures: Capacity and Volume

Writing

Our English lessons will be based on a piece of text called a 'Model of Excellence' that we will be using for a two-week period. By the end of the two weeks, they will complete their own version.

We complete five pieces of writing a week, which are in relation to our Model of Excellence. Each piece of independent work looks at a new skill which reflects the Year 1 writing expectations. Here is an example of a Model of Excellence that we will look at.

Pyrenees Class – Summer 2

Miss Albon

PSHE

The theme of our PSHE lessons this term will be 'Computer Safety' ('Image Sharing') and 'Fire Safety' ('Hoax Calling').

Science

Our topic this term is Plants. This will involve:

- Reviewing plants, including fruits and vegetables.
- Seasonal review.

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

History

Our key theme of the term is looking at 'Covid 19' and comparing what life was like during lockdown to now. Our key questions for this term are:

- What caused the British government to stop people from doing things during the COVID-19 pandemic?
- What did the British Government do to stop people from doing things during the COVID-19 pandemic?
- Why were some jobs seen as more important than others during the COVID-19 pandemic?
- How have certain job roles been impacted by COVID-19?
- What was it like to live through the COVID19 pandemic?
- Did everyone agree with how to stop COVID-19 from spreading?

Art/Design and Technology

This term will be continuing artwork by Henri Rousseau. Our drawings will be focused on forests.

In design technology we will be continuing designing and creating our own teddy bears.

Spiritual Religious

In RE our topic this term is 'What do Muslims celebrate?'

Assemblies

Monday – Current Affairs – Votes for School

Tuesday – School Values

Wednesday – Singing

Thursday – Attendance and Safeguarding

Friday – Celebration

Computing/Music

We are continuing our music topic of Classical Music and focusing on the dynamics & tempo.

In computing children will be programming B, with a focus on programming animations.

Geography

In Geography this term we will be learning about 'What a Wonderful World' (Countries and Continents of the World). The children will be exploring the following questions.

- What are different weather patterns in the UK?
- How is the weather measured and recorded?
- How is the weather different in different places on Earth?

Physical Education

In Physical Education we will be developing children's Fine and Gross Motor Skills with a focus on:

- Physical
- Health & Fitness
- Coordination & Agility
- Agility & Static Balance

The children will develop their creativity with how they can balance their bodies as well as their co-ordination, while working collaboratively with a partner.
