Dear Families,

Christmas Crafts Workshop

We are pleased to confirm that we have managed to secure a Christmas Crafts workshop on Thursday 14th December here at Salmestone School. The workshop is for two hours and starts at 3.00pm.

The workshop will include making a Christmas themed project in 2D or 3D from paper, card and textured materials. The workshop is designed for families to work together, interacting and communicating by spending quality time with each other and having fun! At the end of the workshop we hope that families can leave having designed a project to take home with them.

We do hope that you will come along to this workshop which will be fun and engaging for both you and your child.

Yours sincerely

Mrs Helen Cooper
Deputy Headteacher
