

Dear Families,

This week is World Book Day and we have had some fantastic events taking place including free books and some brilliant costumes. Thank you all for waiting one more day so we could include the whole school.

In some other news, Salmestone made the papers this week. Our SATS results from last year were the best of any Margate school. You can read the article [here](#). This is such a testament to the hard work the children put in and the great work that all the staff put in over the years the pupils were here with us. A big well done and thank you to them all - It's a great time to be part of Salmestone School!

We are pleased to share that the 'Friends of Salmestone' has been launched this term, as a group that supports us to organise events and fundraise for the school. We will hold the first meeting on Monday 11th March, after school in the Community Room (please arrive via the school office). All families are invited to join the group and to pop along to the meeting.

Next week is comic relief and we're going to do something funny for money - so it's another dressing up day - This time in pyjamas! So encourage your children to pop their PJs on and bring whatever they can for a worthy charity.

In some local news - College road, along with others in Margate will become a 20mph zone. You can see the article from [here](#). The safety of our pupils is the most important thing to us here at Salmestone so we're pleased that they are taking this seriously. As you may remember, we have also been working to get more safety measures outside of the school and will continue to work towards this in the interests of the children.

Best Wishes

Mr T Platten

Year 6

Well done Year 6 on your mock SAT's testing at the end of last term. They had they opportunity to relax after the tests by decorating cupcakes. Which also supported them with learning some crucial skills for there design technology topic!
