

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

Reading

These are the books we will be reading this term:

Educational Visit

This term we will be arranging a trip to the park for a teddy bears picnic with our grown-ups - weather permitted. Look out for the date via letter or MarvellousMe.

Maths

This term we will be teaching
To use more/most and less/least.

-To find the total number of items in two groups, after some are added, by counting all of them.

-To find the total number of items, after some are taken away, by counting all of them.

-To know that when counting a group, the last number represents the quantity.

-Exchange money for objects.

Show awareness of similarities of shapes in the environment.

Pennines Class – Summer 2

Mrs Grant

Expressive Arts, Design and Music

To explore different materials freely to develop their ideas.
To use imaginative and complex 'small worlds' with blocks and construction kits, such as a city with different buildings and a park.
To play instruments with increasing control and to express feelings and ideas

Writing

To write some letters correctly
To write some or all of their name

Communication and Language

This term we will be learning;
To understand 'why' questions
To start a conversation with an adult and peer and take turns in speaking
To use talk to help them organise themselves and their play

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

Personal, Emotional and Social Development

This term the children will learn how to talk confidently and manage feelings such as 'happy', 'sad', 'angry' and 'worried'.

To remember the rules without the adult reminding them.

Important Notes

A polite note; hopefully now we are in summer we will get some nice weather. Please could you put sun cream on your child at home and provide your child with a hat with their name on it. The children have access to water throughout the session. If too hot we will encourage the children to play in shaded areas in the Nursery garden or go inside

The children who are leaving Nursery to start school will have a graduation event. Date to follow.

Please look out for MarvellousMe messages as this is where pictures are uploaded and reminders are sent. Thank you

Physical Education

This term the children will learn

To go up steps and stairs and climb up on apparatus using alternate feet. Skip, hop stand on one leg and hold a pose.

Use a comfortable grip with good control when holding a pencil.

Ideally using dominate hand.

Understanding the World

This term, with support from adults, we will begin to compare and contrast characters from stories including figures from the past.

Knowing there are different countries in the world and talk about the differences they have experienced and seen in photos
