

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

Reading

Our reading scheme is Read Write Inc. Children will continue with this scheme throughout Year 1. They will work their way through the coloured groups as their reading improves.

Writing

Our English lessons will be based on a new text each week. We explore the text in great detail, learning the vocabulary and how we can apply it in our writing.

We complete four pieces of writing a week, which are in relation to our book. Three pieces are independent and the other is completed with adult support. These are our books for this term:

Educational Visit

This term we be visiting the Hartsdown Park. This is to help aid us with our Science topic of 'Plants'. We will be completing some observantional drawings and plant dissection as well as enjoying a picnic.

Pyrenees Class – Summer 1

Miss Albon

PSHE

The theme of our PSHE lessons this term will be 'Feelings & Emotion' with a focus on Worry.

Maths

The children will be following the Maths Mastery Scheme. Our topics for the term will be:

- Numbers 50 to 100 and beyond.
- Addition and Subtraction within 100
- Money

Science

Our topic this term is Plants.

This will involve:

- Planting
- Identifying Plants

We will be growing our own cress and also taking care of a class plant.

At Salmestone we reach our PEAK through Perseverance, Effort, Ambition and Knowledge

History

Our key theme of the term is looking at 'Covid 19' and comparing what life was like during lockdown to now. Our key questions for this term are:

- What caused the British government to stop people from doing things during the COVID-19 pandemic?
- What did the British Government do to stop people from doing things during the COVID-19 pandemic?
- Why were some jobs seen as more important than others during the COVID-19 pandemic?
- How have certain job roles been impacted by COVID-19?
- What was it like to live through the COVID19 pandemic?
- Did everyone agree with how to stop COVID-19 from spreading?

Art/Design and Technology

This term will be looking at artwork by Henri Rousseau. Our drawings will be focused on forests.

In design technology we will be continuing designing and creating our own teddy bears.

Spiritual Religious

In RE our topic this term is 'What do Hindus celebrate?'

Assemblies

Monday – Current Affairs – Votes for School

Tuesday – School Values

Wednesday – Attendance and Safeguarding

Thursday – Music

Friday – Celebration

Computing/Music

In music our topic this term is Classical Music and focusing on the dynamics & tempo.

In computing children will be creating media, with a focus on digital writing. They will be exploring the keyboard and learning how to type.

Geography

In Geography this term we will be learning about 'What a Wonderful World' (Countries and Continents of the World). The children will be exploring the following questions.

- What are different weather patterns in the UK?
- How is the weather measured and recorded?
- How is the weather different in different places on Earth?

Physical Education

In Physical Education we will be developing children's Fine and Gross Motor Skills with a focus on:

- Physical
- Health & Fitness
- Coordination & Agility
- Agility & Static Balance

The children will develop their creativity with how they can balance their bodies as well as their co-ordination, while working collaboratively with a partner.
